# Otus Student Support

## Why Otus?

Otus is an all-in-one suite accessed outside of the Elevate K12 LIVE Classroom. In partnership with Otus, our goal is to assess student understanding and enhance instruction through analysis of student assessments and assignments.

## Logging In

Otus is single sign on (SSO); can log in directly from Elevate K12 student LMS

## Teacher Use

- Direct & support students in using Otus
- Monitor student progress during Otus assessments & assignments
- Monitor progress & growth through data analytics, creating reteaching opportunities for students

## Classroom Coach Use

- Scheduling & reopening student assessments & assignments for retake purposes (per school policy)
